# ABOUT BRASCO GROUP

The Brasco Group of Companies was established in 1991 and has been flourishing ever since. Brasco Electrical saw the company come into being, and it was this division that opened the door for many more to follow. The Brasco Group of Companies now offers a comprehensive range of services, including: electrical, filtration, extraction, canopy cleaning and refrigeration. Though we are not bound by the areas we operate in (historically we have serviced clients as far as Mozambique and Botswana), our main areas of operation are Gauteng, Mpumalanga, North West, Free State and Limpopo provinces.

We are proud to be B.E.E. Level 2 compliant and continue to invest in community development and growth. We are on call 24 hours a day, so feel free to contact us should you require any more information or any of our services.

Brasco Canopy Cleaning and Maintenance specializes in the cleaning and maintenance of Canopy Extraction Systems in commercial and industrial kitchen be they Cyclo-Vents, Cyclo-Wash, React-a-Vents or Capture-Jets.

## OUR TEAM LEADER

Raymond Bellamy has been in the retail and related industry for 21 years. Raymond is registered to authorize electrical compliance certificates as required. He has had his trade certificate for 19 years. Raymond works extremely hard and he makes sure the work his workers do is done 110% correct and nothing is left out. He has a good reputation of good work throughout Shoprite Checkers, Spar and Pick & Pay.
